Quasar

Point

Saver

Known for leading the market in brightness, quality, cost, and ease of installation, it is no surprise that US LED just released three market-changing white LED products.

Quasar [QZR-6-12-W]

The new "MegaWhite" that changes the rules with high brightness at a standard price.

Point [PNT-3-12-W]

The New Standard for channel letter lighting, 28% brighter than the "Plus" and with a better price!

SAVER

Saver [SVR-3-12-W]

A budget product with brightness equal to the earlier "Lightning" and US LED quality and warranty.
